

Dear Residents' Association representative,

As you may be aware, Bromley Council has recently launched two consultations on social housing, and we would really value your input.

### **Tenancy Strategy consultation**

We are currently consulting on a revised Tenancy Strategy which sets how the Council works with social landlords to meet the housing needs of our residents.

**The survey closes on 27 November.** To respond, please visit <https://www.smartsurvey.co.uk/s/CT-Bromley2/>

### **Housing Allocations Scheme consultation**

We are also consulting on proposed updates to our Housing Allocations Scheme which sets how we allocate and let social housing.

**The survey closes on 18 December.** To respond, please visit <https://www.smartsurvey.co.uk/s/HAS-Bromley/>

Please do share the consultations with your members as you see fit. If you have any issue when completing either survey, please contact [tenantconsultation@bromley.gov.uk](mailto:tenantconsultation@bromley.gov.uk).

Best,

Olivia Marshall
